

Lose Your Debt

Live Your Life SM

cj Advertising is proud to offer you the opportunity to brand your law firm with the “Lose your debt. Live your life.”SM advertising campaign.

As with all of our branding items, the “Lose your debt. Live your life.”SM campaign would be the focal point of billboards, print ads such as Yellow Pages, television commercials, your firm’s website and all other appropriate marketing mediums. The physical design of the text would be created in a way to support your firm’s logo design utilizing similar fonts and colors in an overall effort to further support the “Lose your debt. Live your life.”SM branding effort.

For more information on how to become the exclusive user of this unique branding opportunity in your market, contact a cj Advertising representative today @ 615-254-6634.
